1973 PINE CONE

Valdosta State College

Valdosta, Georgia

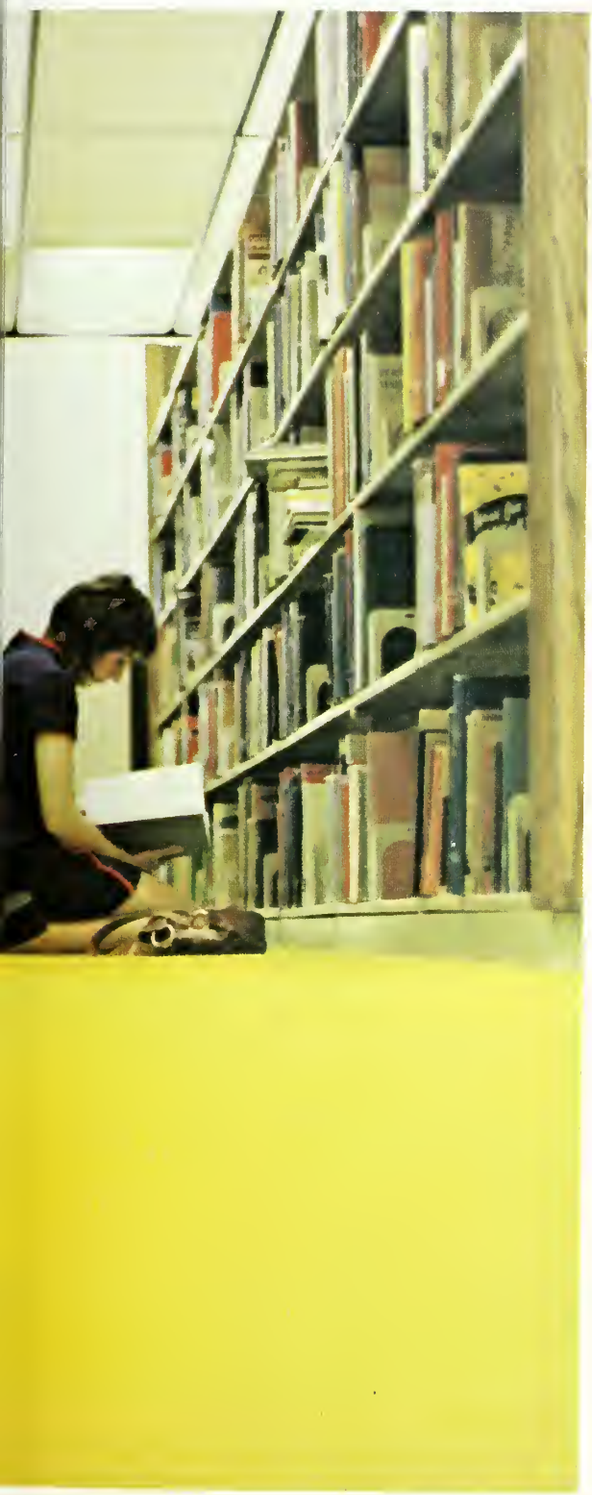
Four years can seem a lifetime . . .

four years, a part of your life you can't leave behind . . .

maybe the best four years of your life.

VALDOSTA STATE COLLEGE

Sooner or later we learn, sometimes too late, that these four years are what we make of them.



It can seem as though it were only a moment . . .

and only the memories remain.

But how much can four years mean?

It's what you make
of it that counts.

Homecoming

Homecoming — UNIQUE!

Homecoming brought more than excitement — it also brought (or at least we like to think) SNOW!

A convincing basketball victory over Southern Tech and a unique dance, featuring *USA* at Mathis City Auditorium, were topped by two inches of natural icing which cooled off Saturday's Homecoming parade down Patterson and added spirit to the evening's concert, featuring *Rita Coolidge* and *Kris Kristofferson.*

A thrill buzzed through everyone as VSC experienced a most different homecoming.

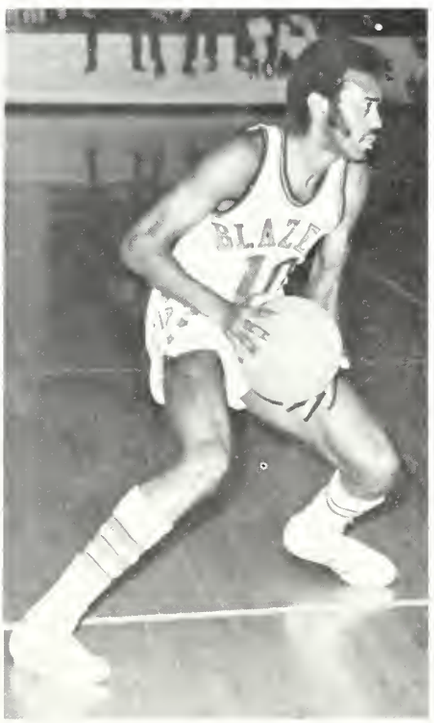
District 25 Champions

Electrifying the basketball scene at VSC, Willie Oxford and Tim Dominey put it all together to make the name of Blazers famous across the nation. Oxford made NAIA All-American for the third straight season while averaging 19.1 points per game, scoring the most points in a career (1918), and hitting the most free throws (480).

Tim Dominey, the younger brother of VSC coach James Dominey (college coach of the year in Georgia) wound up the year with an 18.0 point per game average and a contract with the Atlanta Hawks Professional Basketball team. Tim was also voted most valuable player by his teammates. Together Willie Oxford and Tim Dominey formed the Blazers' strongest set of guards that is without a doubt the best VSC has ever possessed.



A 17-8 season record set the Blazers on the winning path with records being broken in categories of team rebounds in a single game (71), highest season game average (90.9), and for the fourth time in seven years, the district 25 NAIA Championship.

Blazers Down Kentucky State At Kansas City

The VSC Blazers wound up an impressive year as they went to Kansas City to defeat Kentucky State (NAIA champions for three straight seasons). The Blazers were finally defeated by Gilford College who went on to capture the NAIA championship. Over the season, the Blazers had a big year. They played some tough colleges and impressed onlookers with their shooting and rebounding ability. If they can repeat this year's performance, the Blazers should have another banner year.

1973 Blazers
A History-Making Team

1973: A record-breaking year! The Blazers played more games, had more victories, hosted more home games, and received more awards than any previous VSC team. Playing their most ambitious schedule, the Blazers stacked up a total of 57 games in 11 weeks. The team won their fifth consecutive district title on their home field, went on to capture the area title after five previous tries, and delighted their enthusiastic supporters by earning a coveted place in the national tournament in Phoenix, Arizona. The Blazers became one of eight select teams surviving from over 500 competitors in the tough NAIA conference and went on to complete their season by earning the title of fourth in the nation.

Highlighted by victories over SEC powerhouses Georgia and Kentucky, and frustrating due to disappointing defeats to arch-rivals Georgia Southern and Florida State, the season was the Blazers' first venture under the independent status. Sheer determination was the Blazers' edge during many games where the outcome was determined in the final innings. The Blazers proved they could do one thing — WIN!! Their success was rewarded by the most enthusiastic support the community and school have ever shown. 1973 proved an unforgettable year of tension, excitement, achievement, and VICTORY.

1973 was also a year of individual achievement. Gene Felts was named to the first team of the NAIA All-American for the second year in a row. Gene was the first VSC athlete to make the first team rank. He was also named to the All Area V and the All District 25 teams.

Bobby Tripp was honored by receiving the 2nd baseman slot in Area V and in the District 25 teams. Pitchers Pat Arnett and Dan Chadwick were also named to the District 25 team and Andy Hassell was given an Honorable Mention on the team.

The VSC team, according to Coach Thomas, was the favorite of the national competition thanks to their southern congeniality and good sportsmanship. 1973 was undoubtedly the Blazers' most successful season in history.
